

CompTIA CTT+ Certification

2 days

Description

This ILT Series course will prepare students for the CompTIA CTT+ certification exam. Students will learn how to plan and prepare to teach a course, and how to select and implement various delivery methods. They'll also learn how to demonstrate professional conduct and content expertise, how to use communication and presentation skills to facilitate learning, and how to establish and maintain a learner-centered environment. Finally, they'll learn techniques for evaluating learner performance throughout an event and techniques for evaluating their training performance and delivery of a course.

Prerequisites

- *None*
